## Kipor Power Equipment

### **LENGTH OF WARRANTY:**

Generators and/or batteries that are supplied with applicable products as standard, original equipment are covered by this warranty from the date of original retail purchase for a period of 2 years for residential use and 1 year for commercial applications. Units used in rental fleets or as demonstration models will be considered commercial usage. The warranty coverage is continual from the original date of purchase, and does not restart upon the replacement of any part or complete unit. Individual parts replaced at any point during the warranty period are only eligible for warranty coverage for the balance of the original warranty period.

### **ELIGIBILITY:**

To be eligible for warranty replacement, the product must be purchased in the United States or Canada from an authorized Coast Distribution dealer. This warranty applies to the original retail purchaser only, and is not transferable. Proof of purchase is required.

### **COVERAGE:**

Parts, labor and regular shipping costs will be covered by Coast Distribution for any failure that is proven to be a failure in material or workmanship under normal use during the applicable warranty time period. Coast Distribution reserves the right to repair or replace these parts, at its option. Coast Distribution may request defective parts to be returned. Anything replaced under warranty becomes the property of Coast Distribution.
